DETERMINATION

Based on the above findings and in accordance with the cited authority, I hereby determine that it is not feasible or practical to invoke the competitive bidding process under Section 402 of the Procurement Practices Reform Act of 2010, effective April 8, 2011 (D.C. Law 18-371; D.C. Official Code § 2-354.02). I further find that the contractor listed above is the only available source that can meet the District's minimum needs. Accordingly, I determine that the District is justified in using the sole source method of procurement.
